KONFERENSI NASIONAL BANK-BANK INDONESIA - BALI 2013

Speaker's topic: Internal Audit evolution - risk management and strategy to prevent the black hole in financial sector

The Indonesian Banks Internal Auditor Association (IAIB) was established in 2008. Our association consists of all Internal Auditors from all major private and government Banks in Indonesia. It is a non-profit association which has a high commitment to develop the Bank Internal Auditor profession through workshops, seminars and trainings Locally and Internationally.
